Title: Respect Life Team Member

Servant Leader: Respect Life Coordinator

Description: The team deals with respect for life issues

Specific Tasks: These are some of the things you can help with

- Participate in Respect Life events and encourage others to do the same
- Help increase awareness of Life issues that arise from every stage of life
- Celebrate all stages of life
- Encourage support for mothers who choose life before and after the give birth
- Offer healing to those who choose to have an abortion
- Keep up to date on current Respect Life issues
- Engage in personal and community prayer opportunities for the sanctity of life
- Reach out to others to join the efforts

Skills or Attributes Required: The ability to encourage people to get involved is helpful. A deep belief in the truth that comes from the Church regarding “respect for life” issues.

Time Required: Varies based on availability and seasonal awareness programs

Training: On the job

Benefits (How does it fulfill the parish mission): Life is the most basic gift that we receive from God. It should be respected, cherished and defended when necessary. We the Church need to publicly defend life, educate when possible and also offer alternatives to those who are tempted to give in to the culture of death.
